

# I CAN

statements to start your awesome day!

I **can** understand what type of environment increases my productivity.

I **can** speak to someone I trust who can help make my dreams come true.

I **can** do some research on what opportunities are available.

I **can** network, get to know people outside of my current job responsibilities, and build strong relationships with senior management and other people of influence.

I **can** continue to educate myself and stay current in my area of expertise, and take advantage of internal and external learning opportunities.

I **can** take ownership of my career.

I **can** be a mentor to others.
